

Spirit of Math Schools offers an exciting and challenging after-school program for high achieving, highly motivated students. Classes are offered to students in grades 1 through 8 throughout the regular school year. This is not a tutoring program.

Applicants must have a keen interest and/or background in mathematics. A desire to explore and a willingness to learn the Spirit of Math method of teaching mathematics is essential. Experience working with high achievers is an asset and a university degree is required.

This is a unique opportunity to join one of the most exciting and progressive math programs offered in Canada.

Part-time positions are available for Grades 1-8 teachers for Monday and Tuesday evenings for the 2010-2011 school year.

Cover letter, resume and letters of reference are required.

If interested, please email your cover letter and resume with attention to [hwinick@spiritofmath.com](mailto:hwinick@spiritofmath.com)

We thank everyone for their applications. Only those applicants who fit our requirements will be contacted.
