Program Descriptions

August 16 – 20

Time: 9:00 am – 12:00 pm

Grade 2 – 3

Basic Skills and Problem Solving I

This program covering core math concepts, problem solving and more, is primarily intended for students who want a “refresher” before school starts. It is also ideal for new students who would like to experience the Spirit of Math classroom, or establish some skills before starting the school-year evening classes.

August 16 – 20

Time: 9:00 am – 12:00 pm

Grade 4 – 6

Basic Skills and Problem Solving II

This program covering core math concepts, problem solving and more, is primarily intended for students who want a “refresher” before school starts. It is also ideal for new students who would like to experience the Spirit of Math classroom, or establish some skills before starting the school-year evening classes.

What to Bring

Students should come prepared with the following items.

- Pencils, Erasers, Ruler
- Water bottle if desired. Juice is only permitted during snack time, but students may have a water bottle with them during class. Please label your child’s water bottle.
- Snack. Students will have a short break halfway through the morning. NOTE: Snacks must be NUT-FREE
- Students will be provided with a duotang for handouts and lined paper.
