## Registration & Class Schedule

### Welcome Students and Parents!

Welcome to the Releasing the Genius community. For over 30 years our mission statement, “To promote co-operation, inspire confidence, and release the genius in every child”, continues to be the foundation that binds high-performing educators, parents, and students toward one common vision – to create future leaders with the global standard of education.

Spirit of Math is **difficult**, requires a lot of **effort**, and it **works!** The academic success of our students is largely due to the hard work of students and the positive and consistent assistance by parents at home. As members of this community, both parents and students have access to a variety of tools designed by Spirit of Math to enrich the learning experience.

## Spirit of Math Community Membership Benefits

### FREE HOMEWORK HELP

Complimentary weekly homework help sessions at all campuses. Parents have access to teachers via email for additional feedback and questions about their child's progress.

### ONLINE COMMUNITY

Students and parents have 24/7 access to our **online learning management system** for **report cards, lessons and lesson videos.**

### PARENT INVOLVEMENT

All Spirit of Math parents have the opportunity to observe and sit in classes.

### HIGHLY TRAINED TEACHERS

Spirit of Math teachers undergo 100+ hours of specialized teacher training in the first year and 40+ hours of ongoing training each year.

### CONTESTS

Spirit of Math students grades 1 to 4 write the International Spirit of Math Contest now in collaboration with Stanford University's SMILE at no extra cost in week 24. Grades 3-4 students also write the Canadian National Math League (CNML) in their classes at no extra cost.
