2019/2020 CLASS & FEE SCHEDULE FOR ALL CAMPUSES

Dear Students and Parents,

The entire staff at Spirit of Math want to thank returning students for the efforts made during the past year to help make the time spent with Spirit of Math so valuable. The academic successes that have resulted are largely due to both the hard work of the students and the positive and consistent assistance given at home.

If this has been your first year with us, we hope that you enjoyed the opportunity to meet others, that you appreciated the challenge and that you achieved the success you anticipated. We trust that the coming year will be one of significant progress in your mathematical aptitude.

We thank you for helping Spirit of Math establish itself as a standard of excellence in mathematics in Canada and welcome all students to the 2019-2020 school year!
